

## **It's Not About Us**

(2 Corinthians 4:7-18)

Main Point: God's power supersedes our inability and enables us to view affliction through eyes of faith so that we don't lose heart.

### **I. Our Inability**

### **II. God's Surpassing Power**

### **III. A New Perspective**

4 keys to not losing heart

1. Though outwardly we are wasting away, inwardly we are renewed day by day
2. Compared to the eternal weight of glory, our afflictions are light
3. This too shall pass
4. Pay attention to what you are looking at
