

Jesus Really is the Greatest

(Hebrews 3:1-6)

Main Point: Jesus is worthy of our faith because He is the Son of God who is our faithful High Priest

I. Jesus, our Faithful High Priest (vs. 1-2)

II. Jesus' Greater Glory (vs. 3-6a)

- Greater glory as the builder

- Greater glory as a Son

III. Our Privileged Position (vs. 6)

We are...

- His House (the building)
- Brothers & Sisters
- Sons & Daughters

Application Questions: What is your “Moses”? Have you shared that with someone recently so they can be praying for you and encouraging you? Why not share with someone today? Why do you often see yourself (if you do) as a beggar in God’s house rather than a son or daughter? What are some ways you can “consider Jesus” this week? How does thinking about your position in Christ help you endure? How does it give you faith when things are tough?
