

Lessons from Fatherhood

Father's Day 2016

Main Point: As earthly fathers we fail often, but God's grace never does!

I. Lessons the Lord has taught me about myself through Fatherhood

My Tendencies:

1. Control rather than Consider
2. Lazy rather than Lead
3. Rely on my history, rather than HIS story (God's Word)
4. Appear Strong, rather than Surrendered
5. Projects rather than Persons
6. Tasks rather than Talks
7. Being Right rather than Repentant

II. Lessons the Lord has taught me about Himself through Fatherhood

Romans 5:20 (KJV) ...But where sin abounded, grace did much more abound.

- God is Gracious
- God is Forgiving
- God is Compassionate
- God is Patient
