

# Commissioned for our Community

Matthew 5:13-16

**Main Point:** *As disciples of Jesus Christ, we are called to be a gospel community that displays the beauty of Christ for the sake of our local community, making disciples for the glory of God.*

## I. Salt of the Earth (vs. 13)

## II. A Community of Light (vs. 14-15)

## III. Workers of the Kingdom (vs. 16)

**Application Questions:** What would it look like for you to serve others with your life, the way Christ has served you? Would you say that your life is marked by being “zealous for good works”? Why or why not? What are some areas of gifting or talent you have been given that could be used as a tool to be salt and light to others through good works? What is stopping you? How does Christ and His gospel compel you to share the “light of life” with others? Who can you partner with to keep you accountable in being “discipleship minded” in the way you interact with people in your community, on the job, etc.?
